ARTIFICIAL INTELLIGENCE

The book should show up on Amazon in a few hours. That said, I think everyone is going to love how this story

turned out. I enjoyed bringing in a bit of Dead Space into

the story arc. Let me know what

This is about what I want to see. I want to watch a black grandma get fucked in her ass. Her asshole needs to be tight. It needs to be a light brown color. The guy fucking her needs to be lightskin. He needs to have a big dick. He puts his big lightskin dick deep into her bootyhole. He fucks her hard. Then he pulls his dick out. When his dick comes out of her ass, it is covered in her shit. It is full of brown shit. That's the whole thing. That's what I'm looking for. I think about this a lot. Late at night, when I'm on my phone. I search for this. It's hard to find exactly this. So I write it down. I want it to be real. I want to see it happen. The grandma is black. She is old. Maybe in her sixties. Or even older. Her skin is dark. But her asshole is a lighter brown. It looks tight. It hasn't been used much. Or maybe it has, but it's still tight. She is on her hands and knees. Or maybe on her back with her legs up. Her old ass is in the air. Her asshole is right there. It's puckered. It's light brown. Then the guy comes in. He is lightskin. Maybe mixed race. His skin is lighter than hers. He is younger. Much younger. Maybe in his twenties. He is strong. He has a big dick. It's hard. It's thick. It's long. It's a lightskin dick. He gets behind her. He lines up his dick with her tight light brown asshole. He pushes the head against it. He starts to push in. Her asshole stretches. It opens up for his big dick. He pushes harder. He gets the head in. Then he pushes more. He gets more of his dick inside her. He goes slow at first. Then he goes faster. He fucks her asshole deep. He goes all the way in. His balls slap against her old ass.

I want to see a video. Or a story. Or pictures. Anything that shows this. A black grandma with a tight light brown asshole. A big lightskin dick going into that asshole. And then that dick coming out covered in shit. That's the fantasy. That's what gets me going. It's specific. I know what I want. I don't want something similar. I want this exact thing. The details matter. The color of her asshole matters. It has to be light brown. Not dark. Not pink. Light brown. Like a caramel color. Or a tan color. It has to look tight. Like a little wrinkled hole that doesn't get used much. An old woman's asshole. A black woman's asshole. The contrast is important. Her dark skin. Her light brown asshole. Then the lightskin dick. The dick is also a color. It's not white. It's not dark black. It's lightskin. Brown, but lighter. Maybe with a pinkish head. A big, veiny, hard lightskin dick. That dick belongs to a young guy. He is fucking an old grandma. That's taboo. That's wrong. That makes it hotter. He shouldn't be doing it. She shouldn't be taking it. But she is. He is. He wants to fuck her old ass. She lets him. Maybe she wants it too. Maybe she needs it. Maybe she's lonely. Maybe she's horny. An old grandma can be horny. She can want a big young dick in her ass. She can spread her old ass cheeks and show him her tight light brown hole. She can tell him to put it in. She can beg for it. That's good. I like that. Her begging for his dick. An old black grandma begging a young lightskin guy to fuck her ass. Please, put your big dick in my asshole. Please, fuck my old ass. I need it. I want it. Fill me up. That's hot. Then he does it. He doesn't care that she's old. He doesn't care that she's a grandma. He just wants to fuck her tight hole. He wants to feel her ass around his dick. He pushes in. Her asshole is tight. It's tight because she's old. Or because she doesn't do anal much. It grips his dick. It squeezes him. He moans. She moans. It hurts her at first. But then it feels good. She starts to like it. She pushes back against him. She wants him deeper. He grabs her hips. Her old, wide hips. He holds her tight. He fucks her harder. His big lightskin dick slides in and out of her light brown asshole. In and out. In and out. The sound is wet. A slapping sound. Skin on skin. His balls slapping her ass. Her ass jiggling. She's old, so her ass might be saggy. But it's still an ass. It's still a black woman's ass. He's fucking it. He's owning it. He's claiming her old ass. Making it his. Stretching her hole with his big dick. Making her take it all. Every inch. He buries his dick deep inside her. He feels her insides. Her rectum. He's in her guts. He's fucking her shit tunnel. That's what it is. Her asshole leads to where her shit is. He's fucking the tube that her shit comes out of. That's nasty. That's dirty. That's what I like. It's not clean. It's not romantic. It's raw. It's animal. It's a man fucking a woman's ass. A place for shit. He
